Benefits Card - Cardholder Agreement IMPORTANT – PLEASE READ CAREFULLY Terms and Conditions / Definitions for the Horizon MyWaySM Visa[®] Debit Card

This Cardholder Agreement (“Agreement”) outlines the terms and conditions for the Horizon MyWay Visa Debit Card (“Card”). Review this Agreement before accepting it which will occur through either signing or activating the Card. The Card has been issued to you by The Bancorp Bank, Wilmington, Delaware (“The Bancorp Bank”, “We”, “Us”, or “Issuer”). The Issuer is an FDIC insured member institution. In this Agreement “you”, “your” and “yours” refer to the authorized person who has received the Card. “Plan Sponsor”, if applicable, means your employer or the association sponsoring your benefit plan (“Benefit Plan”), where you are enrolled to use the Card, and you certify that you will access your Plan account(s) for payments of qualifying expenses under that Plan. “Plan Service Provider” refers to Further as plan administrator or custodian, as applicable. This Agreement governs the relationship between you and us regarding the Card, our services related to the Card, and funds accessed using the Card (“Funds”). Benefits are linked to a reimbursement account (“Reimbursement Account”), which will be associated with at least one of the following funded programs (each, a “Funded Program”): a Health Savings Account (“HSA”) or a Voluntary Employees’ Beneficiary Association (“VEBA”); or notional programs (each, a “Notional Program”): a Health Reimbursement Arrangement (“HRA”) or a Flexible Spending Account (“FSA”). The types of benefits that are available to you under your plan documents, the limitations on those benefits, and the qualifications to participate in the Benefit Plan, are governed by other documents, including plan documents that your Plan Sponsor or Plan Service Provider has provided to you. We are not a party to the Benefit Plan or those other plan documents. We can delay enforcing our rights under this Agreement without losing them.

Our business days are Monday through Friday, excluding federal holidays, even if we are open. Any references to “days” found in this Agreement are calendar days unless indicated otherwise.

The Card. The Card is a limited access device that can be used only at qualified locations (as set forth in the applicable Benefit Plan documents) where Visa[®] debit cards and/or STAR[®] debit cards are accepted. The balance of any Reimbursement Account related to a Funded Program is maintained in an account for you at Further, as custodian and/or Plan Service Provider. The balance of any Reimbursement Account related to a Notional Program is held in an account administered by the Plan Service Provider and maintained by your Plan Sponsor or Plan Service Provider. Except with respect to any Reimbursement Account for a Funded

Program, the Card is not connected in any way to any checking, savings, or bank account. The Card is NOT a credit card. You may use the Card to pay for qualified expenses at selected retail and service establishments that have agreed to accept the Card and are equipped with a point-of-sale terminal that can process Visa debit card transactions and/or STAR debit card transactions.

Selected health care merchants may include vision, dental, hearing and medical clinics, hospitals, drugstores, medical laboratories, medical equipment, or other medical establishments offering health-care services. Qualified expenses for a Reimbursement Account are determined by applicable law, rules and regulations, as well as any plan documents provided by your Plan Sponsor, where applicable. If you permit someone else to use the Card, we will treat this as if you have authorized this person to use the Card and you will be responsible for any transactions initiated by such person with the Card. Upon any purchase via a point-of-sale terminal, mail order, telephone order or other purchase transaction, the balance of your Reimbursement Account will be reduced by the amount of such purchase as applicable, or as determined by your Plan Service Provider. Your balance will also be reduced with any preauthorization “hold” a merchant sends us until the merchant sends us the final payment for your purchase. It may take up to seven days for the hold to be removed. The use of the Card to purchase goods and services from merchants is treated as a claim against your Reimbursement Account as appropriate. You may use the Card only in the manner and for the purposes authorized by this Agreement and the rules and regulations, which apply to your Reimbursement Account. You are entitled to receive a receipt for each point-of-sale transaction originated by use of the Card. You do not have the right to stop payment on any Card. You may be required to substantiate your point-of-sale transactions to comply with the Internal Revenue Service (“IRS”) and Treasury regulations. Any entity honoring the Card may choose or be required to obtain approval or authorization for any transaction. An authorization may be declined for a number of reasons, including, but not limited to, having an insufficient available balance or exceeding an applicable dollar limitation. After any purchase at a participating merchant, the amount available on the Card shall decrease by the amount of such withdrawal or purchase or by the amount of any debit hold requested by a merchant. We may process a transaction even if we have not authorized it, but that does not mean we will process or authorize the same type of transaction again. We may restrict access to or suspend the Card if we notice excessive use of the Card or other suspicious activities. We may reinstate access once we have rectified any problems. You are responsible for all authorized transactions initiated by use of the Card. We will not make cash refunds on purchases. Any merchant credit vouchers for returns or adjustments will be credited to your Reimbursement Account when received by us. You must handle any claim or defense for purchases directly with the merchant or other business establishment that accepts the Card; and you must pay the total amount of the sales draft plus any appropriate charges we may be authorized to make.

Non-Visa Debit Transaction. We allow non-Visa debit transactions. At certain merchant locations, you may have the option to process your debit card transaction as a Visa transaction or a STAR transaction; and for STAR transactions, a PIN may not always be

required. Merchants are responsible for providing you with a clear way of choosing to make a Visa debit transaction if they support Visa transactions. Please be advised that should you choose to use the STAR network when making a transaction, different terms may apply. Certain protections and rights applicable only to Visa debit transactions as described in this Agreement will not apply to transactions processed on the STAR network. Please refer to the paragraph labeled “Your Liability for Unauthorized Transfers” for a description of these rights and protections applicable to Visa debit and non-Visa debit transactions. Examples of the type of action that you may be required to make to initiate a Visa debit transaction include signing a receipt or using Verified by Visa® over the Internet.

Examples of the type of action that you may be required to make to initiate a non-Visa debit transaction include using a PIN or authorizing a payment directly with a biller where your identity is verified through a means other than use of a PIN.

Availability of Funds. You acknowledge and agree that the amount available by use of the Card is limited to the amount available in your Reimbursement Account. Each time you use the Card, we will debit the amount of the transaction and any applicable fees or charges from the appropriate available balance on the Card as determined by your Plan Service Provider. If you believe that a transaction was deducted from the incorrect plan account, contact your Plan Service Provider. Any individual purchase or series of purchases may not exceed the available balance on the Card. If, however, a transaction does occur that exceeds the appropriate available balance(s) on the Card, you agree to have the amount of the overdraft (and applicable fee) deducted from any amount subsequently loaded to the Card. A transaction presented for authorization may be denied if it exceeds the appropriate available balance(s) on your Card or if there is a dispute over the Funds.

Foreign Transactions. The Card may only be used within the fifty (50) U.S. states and the District of Columbia. All foreign transactions will be declined.

Transfer Types and Limitations. Each day you may spend up to the balance of your Reimbursement Account, your Reimbursement Account is also reduced by other claims against the applicable account.

Personal Identification Number. You will not receive a Personal Identification Number (“PIN”) with the Card. However, you may contact your Plan Service Provider for instructions on how to obtain a PIN for the card. You may not use the Card to obtain cash from an Automated Teller Machine (“ATM”), Point-of-Sale (“POS”) device, or by any other means. You may not use the Card at an ATM. For security reasons, we may limit the number of consecutive PIN failures allowed.

You should not write or keep your PIN with your Card. Never share your PIN with anyone. When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise your Plan Service Provider immediately following the procedures in the paragraph labeled “Your Liability for Unauthorized Transfers.”

Certification. Each Card transaction is a claim against your Reimbursement Account as appropriate, and all applicable IRS, Treasury and Plan Sponsor rules and regulations governing your account apply. Therefore, you may only use this Card to purchase eligible services and products for you and, if applicable, your spouse or a qualifying individual that you are entitled to claim as a dependent. Furthermore, you may only use this Card to pay for services or products that you are responsible for paying for which you have no other insurance coverage or reimbursement. When you (or an individual authorized by you) use this Card, you accept responsibility to repay your Plan Sponsor or reimburse your HSA for ineligible transactions against your Reimbursement Account. If you fail to repay your Plan Sponsor for such amounts, you authorize your Plan Sponsor (to the extent permitted by law) to collect from you personally or withhold such funds from your pay or any other amounts due to your Plan Sponsor including any taxes, fines, surcharges or penalties that may be assessed for the use of the Card for ineligible services or products. You also understand that the Card may be immediately suspended and/or permanently terminated for failure to pay such amount.

Documentation Requirements. Supporting documentation should be retained for all transactions. For Reimbursement Accounts connected with an HSA, you are responsible to provide this supporting documentation to the IRS in the event you are audited. Under IRS and Treasury regulations, all other payments from your Reimbursement Account require your Plan Service Provider to obtain third-party substantiation of the transactions. Some transactions will be electronically substantiated and will not require you to submit documentation after the purchase.

Those transactions that cannot be electronically substantiated will require you to submit documentation to the Plan Service Provider. You are responsible for meeting any documentation requirements. Failure to meet documentation requirements could result in Card suspension or termination. Ask your Plan Service Provider for examples of electronic documentation and further instructions.

Repayment. You understand that if you use the Card to purchase an ineligible expense, as determined by the Plan Service Provider, the IRS, or any other party having authority, you have violated this Agreement and/or your obligations under your Benefit Plan. You are also required to repay your Reimbursement Account if a transaction is not electronically or manually substantiated in a timely manner. Your Plan Sponsor will provide you with information about your repayment obligations. Except with respect with a Reimbursement Account associated with an HSA, you understand that, upon notification, you must immediately repay any such expense to your Plan Sponsor, as applicable, and that the Card may be immediately suspended or terminated for such failure to comply. Distributions from a Reimbursement Account associated with an HSA must be for or supported by qualified medical expenses. Otherwise, either the Reimbursement Account must be repaid, or the Plan Service Provider must be notified to reclassify the transaction as a prohibited transaction that will be included in your gross income and subject to a substantial additional excise tax.

Amendment or Cancellation. We may amend or change any part of this Agreement or add or remove requirements at any

time. If we do so, we will give you notice if required by law of such amendment or change by sending a notice to you at the last address we have for you in our records. However, if the change is made for security purposes we can implement it without prior notice. We may, at any time, with or without cause and without advance notice, terminate this Agreement and/or temporarily or permanently suspend your right to use the Card.

Notices. All notices shall be deemed given when sent by us to the last address we have for you in our records either electronically or mailed per your account profile with the Plan Service Provider.

Applicable Law. Applicable federal laws, rules and regulations shall govern this Agreement. To the extent federal law is not applicable, the laws of the State of Delaware shall govern this Agreement. In the event of any conflict between the provisions of this Agreement and any applicable law or regulation, this Agreement shall be deemed modified to the extent necessary to comply with such law or regulation.

Waiver. We may waive any of the provisions or conditions of this Agreement, but any such waiver shall be effective only on that occasion and shall not be construed as a continuing waiver on any other occasion.
